McCoy College of Business
Texas State University, TX, USA

March 2020

Dear (future) ISBIS Institutional Members,

ISBIS (International Society for Business and Industrial Statistics, <http://www.isbis-isi.org/>) is committed to promote applications, research, and best current practices in business and industrial statistics. We provide outreach, continuing education, research and networking opportunities to accomplish our mission.

As an institutional member, you can help us promote business and industrial statistics and increase the diversity of the society as well as involvement of students and recent graduates. Your financial support could enable ISBIS to support students, and members from developing countries to serve as active members of our society. In return, we hope to help you connect with the ISBIS members and serve actively in the society promoting the advances in business and industrial statistics.

Institutional Membership has three levels: Gold, Silver and Bronze. All institutional members receive:

- Recognition of institutional membership on the ISBIS website home page
- Option to have links for job postings in ISBIS website
- Option to have one member of the institution to have the individual ISBIS membership benefits

In addition, the institutional membership benefits for each level are:

• **Gold membership:** 2,000 euros annual:

- Option to have a webpage in the ISBIS website discussing the mission of the institution and how it is related to ISBIS
- Option to advertise in one page of ISBIS Newsletter every issue
- Option to be listed as sponsor of the ISBIS annual meeting (biennial or satellite)
- Free exhibit booth at the annual meeting
- One free registration for the ISBIS annual meeting (biennial or satellite)
- Option to have one eligible member of the institution to have the individual y-BIS membership benefits
- Up to 5 additional reduced registration fees at the ISBIS annual meeting (biennial or satellite)

• **Silver membership:** 1,000 euros annual:

- Option to have a webpage in the ISBIS website discussing the mission of the institution and how it is related to ISBIS
- Option to advertise in one page of ISBIS Newsletter once a year
- Reduced member rate for exhibit booths at the annual meeting
- Option to have one eligible member of the institution to have the individual y-BIS membership benefits
- Up to 3 additional reduced registration fees at the ISBIS annual meeting (biennial or satellite)

Bronze membership: 500 euros annual:

- Option to advertise in half page of ISBIS Newsletter once a year
- Reduced member rate for exhibit booths at the annual meeting
- Up to 1 additional reduced registration fees at the ISBIS annual meeting (biennial or satellite)

Individual membership benefits (complimentary for one member with institutional membership)

- an open invitation to engage with the ISBIS blog corner, the ISBIS newsletter and ISBIS website (including its members-only content) that provide a broad range of resources
- participation and networking opportunities at the bi-annual International Symposium on Business and Industrial Statistics (next one is at the Brock University, St. Catharines, Canada, July 28th-30th, 2020.)
- reduced registration rate for all ISBIS events including regional conferences and workshops as well as meetings that are co-organized with local societies to focus on the specific needs of the regions such as Nigeria, India and Bahrain
- free online access to our journal, Applied Stochastic Models in Business and Industry (ASMBI)
- an interest group (y-BIS) for young researchers and professionals involved with statistical research and applications relating to business and industry
- the opportunity to join many ISBIS colleagues at the next World Statistics Congress (2021, The Hague, Netherlands)
- helping fund statistical capacity building efforts in developing countries such as 2019 events in Nigeria, India, Malaysia and Turkey

We look forward to hearing from you soon! Thank you in advance for considering institutional membership, and please help us promote ISBIS by sharing it with your colleagues, and helping them see how their involvement can nurture their careers.

Sincerely,

Tahir Ekin

Tahir Ekin, (tahirekin@txstate.edu), Vice-President for Membership and Outreach
